

*Retailers Want To Give ALL SAINTS
\$\$\$ Money \$\$\$*

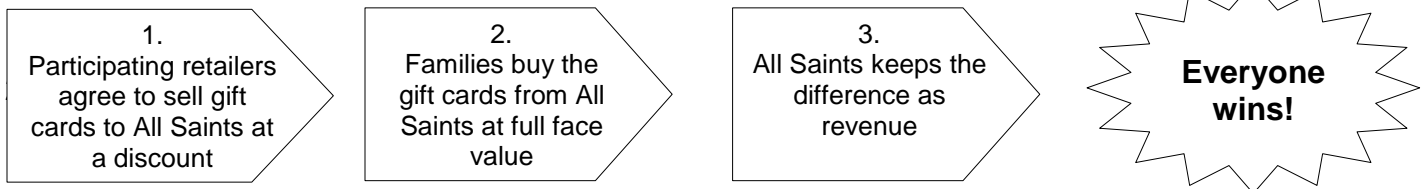

What is Scrip Fundraising?

Scrip is...

- ... simply a word that means “substitute money”.
- ... passive (no selling required) fundraising that works while you shop.
- ... gift cards and gift certificates from national and local retailers (the same gift ones that you buy at the store).
- ... FREE money to All Saints Catholic School!

How Scrip works

- All Saints gets a regular source of revenue that will go directly toward technology or educational materials in the classroom.
- Retailers get cash up-front and gain repeat business.
- YOU get a powerful fundraising alternative that involves no selling.
- YOU earn credits to be applied towards your family’s HSA dues/fees for the next school-year.
- YOU can gain a new budgeting tool by planning your spending.

Here’s the catch...*there isn’t one!*

Our volunteers work hard running the Scrip program so that all you have to do is spend your regular shopping dollars using Scrip. *Scrip is fundraising while you shop®*. You can use Scrip for just about any purchase, including dining, groceries, clothing, entertainment, gas and home improvements. Scrip can also be used for family vacations and holiday gifts.
